

Experience, Expertise, Technology

Converge Systems Group

To overcome a challenge, we must first understand it. **Converge Systems Group** has 30 years of working with large contractors billing for Time & Materials. That experience is combined with deep practical and technical knowledge of Viewpoint Vista.

EXPERIENCE

The team at Converge have been CFOs and provided guidance to commercial contractors for over 30 years.

EXPERTISE

Multiple team members are power users of Vista by Viewpoint with decades of set-up, improving and using the platform.

TECHNOLOGY

Profound knowledge of the data structures of Vista by Viewpoint. Decades experience of developing integrations and optimizations of construction software tools.
